MRI Scan: Please inform us at the time of scheduling, if you have any metal in your body or have had any surgeries to your eyes, ears, brain or heart. Remove any metal, jewelry or hair pins prior to your scan. Specific preparation information will be given when your appointment is scheduled. If you have any type of arterial stent, please bring your safety card or obtain documentation that specifies the safety parameters of the stent.

CT SCAN (Abdomen or Pelvis): Please pick up the oral contrast and further instructions from our imaging center. Please inform us of any allergies to contrast or x-ray dye.

Mammography: Do not use any powders, talcs, sprays or deodorants on your breast or underarm area before your exam. Prior to your exam, please obtain your previous mammogram films and reports. Either bring them with you to your appointment or have them sent to our office.

Barium Enema or Air Contrast Enema: Obtain prep from your imaging center. Follow instructions for the 24-hour preparation. Children under 12, call your imaging center for instructions. Contrast studies and colostomy, call for specific preparation.

DEXA: Do not take calcium supplements 24 hours prior to your scan. If you have any x-rays using contrast such as barium, IV contrast or any nuclear medicine studies, please wait one week before having a DEXA scan. If you have any of these tests scheduled for the same day as your DEXA scan, the DEXA must be performed first.

After the Exam: Your exam will be read by a board-certified, licensed physician with specialty training and certification in radiology. The results of your exam will be sent to your physician. You will receive your results from your physician.

Billing information: If you have insurance coverage, we will submit a claim to your insurance company on your behalf. If you are a member of an HMO or managed care plan, please bring your referral form and any required co-payment with you at the time of your visit. You are responsible for any outstanding or unpaid balance. If you have any questions, please call our billing department at (800) 272-3638, option 1.

- For your safety, children may not accompany patients into procedures. If it is necessary to bring children to the appointment, please bring appropriate adult supervision to watch your children during the scan.
- Please inform us if you may be pregnant.
- If you have asthma, please bring your inhaler to the appointment.
