**BREAST IMAGING SCHEDULING GUIDELINES**

**Preparation for Digital Mammogram Examination:**

- No perfume, deodorant or body powder the day of the exam
- Please bring any previous mammogram films and reports (if done at another facility).
- Please wear two piece clothing.

**Preparation for Breast Biopsy:**

- No aspirin or "blood thinner" one week prior to biopsy.
- The biopsy coordinator will discuss all procedural preparations.
- Please consult your physician prior to discontinuing medications.
- NO PREP NEEDED FOR BREAST ULTRASOUND OR CYST ASPIRATION.

**Preparation for DEXA Exam:**

- Patients should not be scheduled within two weeks of any CT exam utilizing Barium, or any nuclear medicine exam.
- If possible, do not wear clothing with metal buttons or zippers.

**INTRODUCING OUR "NEW" VIRTUAL WAITING ROOM**

**Now offering Remote Check-in**

- Simple step by step instructions for patients and a quick and easy way to communicate with our staff.
- Reduced lobby traffic and greater social distancing by waiting in the comfort of patient's vehicle.

**How does it work?**

- During your pre-check-in process you will be given a number to text, notifying us of your arrival.
- We will text back and include links to complete check-in from outside the center.

**For your safety, children may not accompany patients into procedures. If it is necessary to bring children to the appointment, please bring appropriate adult supervision to watch your children during the scan.**

**Please inform us if you may be pregnant.**

**If you have asthma, please bring your inhaler to the appointment.**
